A vertical beam of light, possibly a laser or fiber optic, is shown against a dark blue background. The beam is bright and has a slight glow. In the middle of the beam, there is a ring-like structure that looks like a fiber optic coupler or a similar component. At the bottom of the beam, there is a large, glowing ring. The overall scene is futuristic and technical.

The image features a blue background with a glowing white circular graphic in the center. The graphic consists of a vertical line passing through the center of a circle, with a horizontal line intersecting it. The circle has a glowing white outline and contains several small white rectangular shapes. The text 'EW-C' is positioned to the left of the circle, and 'PACIFIC' is written below it. The overall aesthetic is futuristic and technical.

The logo features the letters 'EWC' in a bold, white, sans-serif font. Below 'EWC' is a stylized 'N' in a light blue color, which is partially obscured by the 'C'. Underneath the 'N' is the word 'PACIFIC' in a smaller, white, sans-serif font. A bright white star is positioned to the right of the 'N' and 'PACIFIC' text, appearing to be part of the overall graphic design.
