IT DOES NOT KILL ME
Is this cute or creepy? A guy at work e-mailed me a picture of him and his wife but over the wife’s face is a picture of mine! Is that cute or creepy? Cute or creepy? I really like this guy I just met, but he told me that he’s been in jail for assault and battery. The thing is, he’s gentle and he treats me well. Should I be worried? But he is actually kind of cute. You can’t complain? He’s not a real serial killer? What is the best way to let a guy down without crushing his ego? What would you want to hear instead of the ugly truth? i.e., that I’m not just attracted to you. What is the best way? Would you prefer small natural breasts or big fake ones? Have you ever used your “womanly charms” or “female assets” to get a job or a promotion? I don’t like
how my boyfriend kisses. It's like a flesh farm invading my mouth. What can I do? Would any of you want to date an ex boyfriend look-alike? Why would the guy not ask me out? After two weeks of conversations? He's nice, single, and straight and he seems to be interested in me. Cute? Cute or creepy? How would you react if you found out your girl friend had a weblog? How would you react? Is it creepy? Is this cute or creepy? This creepy old guy always makes small talk with me at the grocery store. He asked me out! Are grocery stores the new thing now? I've been told that I look like Meg Ryan. Do guys go for women like her? Is it creepy to get a letter from a girl you don't know? How do you get rid of a stalker? I need an affordable, sure-fire method to get this guy off my back. My boyfriend is a "Trekkie," you know, one of those guys who's addicted to Star Trek. Today he asked me to go to a Trek convention. He's planning to
dress up as a Klingon. I would die of embarrassment. We're adults for god sakes. What should I do? What should I do? What should I do? What should I do? What should I do? What should I do? A guy I used to date did this weird snake head body movement thing with really intense, whenever he wanted to get it on. I broke it off with him, but if I should encounter something like that again, how can I tell the person that he's scaring me without hurting him? But it's not turning me it's not turning me not turning me it's not turning me not turning me on. I recently found out that my very strict, outwardly conservative 60 year old father downloads pornography. Isn't it creepy? Is it creepy or cute? Yes, it's creepy. If a guy tells you about his dream, tells you, tells you, tells you his dream. He says you were in his arms. Is that creepy? Do you guys really care how many men we've slept with? Is it creepy? Creepy? La la la la la la Is it creepy? Is it creepy? Is it creepy? Is it?

"Arirang," the iconic, traditional Korean song of love and heartbreak, has been played and sung by musicians throughout Korea's modern history to express memory, sorrow, pride and propaganda. The song, a national symbol for both North and South Korea, originated, some say, during the Chosun Dynasty (1392-1910); others say it has existed since the Shilla Dynasty, more than 1,000 years ago.

In 1926, "Arirang" became a hit as the theme song of the first Korean movie of the same title, which depicted the sorrow of Koreans living under Japanese rule. Ironically, even Japanese pop singers, beginning in the 1930s, created their own arrangements of the song.

During the Korean War (1950-53), an American turned "Arirang" into a march to celebrate the heroism of the American-led United Nations forces.

In 1985, the song was sung in Pyongyang by an art troupe from Seoul during a reunion of families separated since the Korean War.

And in 2002, North Korea organized the Arirang Festival of gymnastics and art featuring 10,000 performers, including students and young children, to celebrate the birthday of the nation's founder Kim Il-sung. It was also this secretive and cash-strapped country's first festival seeking to promote tourism and develop a new source of foreign currency.

In the South, these days, "Arirang" is an unofficial national anthem that performers arrange into countless melodic or lyrical versions played in any kind of mode: pop, rock, folk, jazz, symphonic, even hip-hop.
HELLO CLASSMATES

I have about 8 1/2 months left on the Republic of Korea. Then I go to Germany but I won't be home until May or June of next year. I can't wait to leave this place. This country. Oh, this country, smells really bad. I don't understand much Korean. I hope that everyone is doing well in G-town and I won't be able to make the reunion because I will be out of country for the next 3 to 4 years. No, I don't think that I'll be living in G-town for a long time and even if I retire I think that I'm going to go to the Philippines where it's warm all the time and nothin' but beautiful women. L. B. F. M. P. B. R.
I'm going to stay overseas as long as I can, you know, I can't wait to live in Germany. Because it's like right in the middle of 8 to 10 countries and I'm going to see everyone of them. Oh yeah, If anyone needs a place to stay once I'm there send me an email and I'll hook you up with a free place to stay. Well I talk to you later.

I live in South Korea, oh yeah. I live from about George town to Cincinnati away from North Korea. I hope everyone has an awesome time celebrating the 4th of July in the states. We have a little festival and some fireworks but as you all know it's not like the states by a long shot. La la la la, Everyone stay safe and enjoy your freedom. Because it really sucks to have to be here. I hope that everyone is doing well in G-town and
I won't be able to make the reunion because I will be out of country for the next 3 to 4 years. Oh, does anyone wanna take my place in Korea for me? 'Cause I'm really tired of this place. I'm going to go the Philippines where it's warm all the time and nothin' but beautiful women. L. B. F. M. P. B. R. Just wanted to wish everyone a Merry Christmas! I'll be right here, doin' O.K. still in Korea not much to do in a country that's only about the size of Indiana. I'm having so much fun I don't know what to do with myself. I hope that everyone is doing well in G-town. Oh yeah. Does anyone have yahoo messanger? I live in South Korea. Oh yeah. I live from about George town to Cincinnati away from North Korea.

U.S. MILITARY BASES IN OKINAWA

WE SELL! WE BUY!

NAHA NAVAL PORT, CAMP HANSEN, THE KADENA AIRFIELD

IN OKINAWA MILITARY BASES! WE SELL! WE BUY!

STRICTLY WE ARE STRICTLY CONFIDENTIAL

WE SELL OKINAWA U.S. MILITARY BASES!
1972 The United States dissolves its occupational government returning Okinawa to Japanese jurisdiction but retaining conditional rights to all U.S. military installations. The Japanese government then makes up new rental contracts for the land of U.S. military bases in Okinawa. With these contracts, the Japanese government rents the property from the original landowners, lending it to the U.S. forces.

1977 The Japanese government pays a total of 1,200 million Yen in compensatory bonuses to landowners for their involvement. Each year the government successively increases the rent it pays landowners.

1980s Local Okinawan banks start offering special loans to cooperating landowners. Under this plan, the banks permit owners to borrow more than 25 times the rental cost with special low-interest rates. If a landowner declares bankruptcy, the government promises to buy back parcels of land, paying up to 50 million Yen tax-free.

1988 The Japanese government pays a total of 1,200 million Yen in compensatory bonuses to landowners.

1992 1,400 million Yen is paid in compensatory bonuses to landowners. While real estate prices continue to fall all over Japan, owning Okinawan "military ground" remains a highly lucrative investment.

2006 Location: the Kadena airfield, Price: X 35. The proprietary right of the land is being sold for 35 times of the annual rent.

Notes: Transactions of military land in Okinawa are completely different from regular transactions of real estate. The market price deals only with the ratio of the land's annual rent without concerning the conditions of the land or its extent, because the purpose of the buyers is only income from the rent. And the ratio remains higher where there is uncertainty of the land ever being returned by US forces.
These smart weapons, installed on the Navy's missile corvettes, can destroy targets as far as 90 km away. To avoid detection by radar, they travel at blistering speeds just a few feet above the waves. They are deadly dependable. But what's the best thing about these missiles? They make sure you don't even have to think about the sea. Ever.
WE ALL TAKE THE SEA FOR GRANTED BUT THAT WOULD NOT BE POSSIBLE WITHOUT THE ADVANCED NAVAL TECHNOLOGY THAT IS DEPLOYED AROUND OUR SHORES. TAKE THE SOPHISTICATED HARPOON MISSILES. THESE SMART WEAPONS, INSTALLED ON THE NAVY'S MISSILE CORVETTES, CAN DESTROY TARGETS AS FAR AS 90 KM AWAY. TO AVOID DETECTION BY RADAR, THEY TRAVEL AT BLISTERING SPEEDS JUST A FEW FEET ABOVE THE WAVES. THEY ARE DEADLY DEPENDABLE. BUT WHAT'S THE BEST THING ABOUT THESE MISSILES? THEY MAKE SURE YOU DON'T EVEN HAVE TO THINK ABOUT THE SEA. EVER. LIFE WOULD NOT BE THE SAME WITHOUT SAFE SEA. BUT THAT WOULD NOT BE POSSIBLE WITHOUT THE ADVANCED NAVAL TECHNOLOGY. THEY MAKE SURE YOU DON'T EVEN HAVE TO THINK ABOUT THE SEA. EVER. YOU DON'T HAVE TO THINK ABOUT THE SEA. EVER. YOU DON'T HAVE TO THINK ABOUT THE SEA. EVER.

You'd better be quiet Today

The guy you like will be keeping his eyes on you.

Be a lady. Don't sit with your knees apart. People may blame your selfish ways, but don't make excuses. It will make you look worse. Just shut your mouth up and take the advice.

Give your favorite CD to someone you want as a friend. This is the day he will be...
interested in you. But today you can't decide anything. Shape your talk and make your judgments quick. Otherwise you'll lose their confidence. Today the guy you like will be keeping his eyes on you. Don't be smart otherwise you'll be hurt. Ignore the suspicious stories you hear. Watch your mouse, it can kill you. Hide your thoughts. You'd better be quiet today.
